

Mission Statement:

The City of Mountain Home, Parks and Recreation strives to provide a safe and friendly environment with recreational activities for those who seek personal growth and fun. Our professional staff promotes positive and diverse recreational play at the youth center, ball fields, swimming pool, tennis courts, playground trails and all park facilities.

Goals:

Provide recreational programs
Maintain a safe and welcoming environment
Promote the health and well-being of our community
Maintain quality park facilities
Form community partnerships
